Dimensions & Mounting

All dimensions in inches, nominal

PLAN VIEW · END PROFILE — LETTER CALLOUTS, VALUES IN THE TABLE

DIMENSIONS & WEIGHT

Model	L (in)	W (in)	D (in)	Weight (lb)
CED-110-15L	26	12	2	7.7
CED-170-23L	26	12	2	9.0
CED-220-30L	26	14	2	10.0

CONSTRUCTION

Painted steel housing with PMMA frosted lenses over rotatable optical panels; chain mount with V-hooks standard ($\frac{1}{8}$ " $\times$ 1 m chain); optional pendant mount kit to $\frac{1}{2}$ " rigid conduit and surface mount kit to solid surfaces; wire guard kits for the 15L / 23L and the 30L sizes.

NOTES

- All dimensions per the published dimension table, in inches: L = length, W = width, D = depth. Model codes shown without the voltage and color positions.
- Mounting-kit geometry and the pendant and surface kit dimensions are not published; contact Sage for mounting details.
