Dimensions & Mounting  
All dimensions in inches, nominal

DIMENSIONS

SIGN & CANOPY DIMENSIONS

|                            | Value                                    |
|----------------------------|------------------------------------------|
| Sign W x H                 | 13 3/4" x 11"                            |
| Overall height with canopy | 11 7/8"                                  |
| Housing thickness          | 1 3/4"                                   |
| Mounting canopy            | 5 7/8" x 4 1/4" (top, end or back mount) |

CONSTRUCTION

Premium-grade extruded aluminum housing, natural or powder-coated black or white, with a UV-stabilized ultra-clear acrylic edge-lit panel. Aluminum mounting canopy for top, end or back mount. Self-adhesive chevron appliques with guide template.

NOTES

- All dimensions are nominal, in inches; per the published dimensions drawing.
- Letter height and mounting-center spacing are not separately published.
