ECH

Sage Echo — Hazardous Location LED Remote Head

Dimensions & Mounting

All dimensions in inches, nominal

DIMENSIONS — FRONT · SIDE (ENCLOSURE, SINGLE OR DOUBLE HEAD)

ENCLOSURE DIMENSIONS

	Value
Width	9 ⁵ / ₈ " (245 mm)
Height	4 ⁵ / ₈ " (118 mm) housing · 4 ⁷ / ₈ " (124 mm) overall
Depth	5" (127 mm) housing · 5 ¹ / ₂ " (140 mm) overall
Heads	single or double in the same enclosure
Mount	surface wall mount on the die-cast brackets

CONSTRUCTION

Fiberglass reinforced housing, gray, with a corrosion-resistant one-piece high-impact UV-stabilized polycarbonate lens, a molded gasket and stainless steel screws; die-cast surface wall-mount brackets.

NOTES

- All dimensions per the published drawing (shared with the Compass enclosure), in inches with millimeters as printed; single and double head units share one enclosure.
- Bracket geometry and the conduit entry are not published; contact Sage for mounting details.

"Engineered for the spaces it protects."
