CONSTRUCTION

Recessed back box with a lamp housing and a hinged reflective door and lamp assembly; two swivel MR16 LED lamp heads hidden behind flush doors driven by a spring and solenoid with a magnetic latch. Housing color white, black, aluminum, dark bronze or custom; universal wall or ceiling recessed mount, surface mount box optional.

NOTES

- All dimensions are nominal, in inches; per the published drawings and the remote installation manual.
- Panel opening and hanger details per the installation guide.

"Engineered for the spaces it protects."
