Housing / window	.09" (2.3 mm) min wall · .125" (3 mm) min window

CONSTRUCTION

Double-wall housing of extruded aluminum, minimum wall thickness .09" (2.3 mm), with no visible mounting hardware; polycarbonate faceplate window, .125" (3 mm) minimum thickness, with stencil face legend and universal field-adjustable chevron arrows. Standard finish satin anodized brushed aluminum; optional painted enamel color finishes. Universal mounting brackets supplied — back, end or top mount; optional canopy (CAN) and pendant (PEN) mount kits.

NOTES

- All dimensions per the published mounting data & dimensions drawings, with metric duals as printed — the top-mount ceiling gap is carried exactly as printed, 1/4" (16mm).
- Back mount: maximum size 8 screws, up to six (mounting screws supplied by installer). Top / end mount: universal bracket with two #8-32 Allen-Head screws and lock washers provided. Canopy mount: 2 # 8-32 x 1/2" screws to the housing; #8-32 x 1" screws to the surface, or to a J-Box and spider plate (supplied by installer).
- Dimensions shown are the complete published set; letter / legend height is not separately published.

"Engineered for the spaces it protects."
