Surface mount to two #10 anchors at 8" centers, or over a 4" octagon J-box. Enclosure depth 3 3/8".

FIXTURE & MOUNTING DIMENSIONS

	Recessed (R)	Surface (S)
Fixture	14 1/2"	14 1/2" x 12"
Rough opening	15 3/4"	—
Depth	4 1/2"	3 3/8"
Profile below ceiling	5/16"	3 1/2"

CONSTRUCTION

Very-low-profile interior high-bay; recessed via T-bar clips (rotate the side-bracket clips to fit T-bar hangers) or masonry side brackets; surface mount to two #10 anchors at 8" centers or a 4" octagon J-box. Cable entry by J-box; liquid-tight outlet box for exterior and wet locations. Hanger bars by others.

NOTES

- All dimensions are nominal, in inches; per the published mounting data (interior & damp / exterior & wet arrangements).
- AC pendant option (-PEN): maximum pendant height inside the housing 3/8"; pendant and swivel assembly with four pendant nuts.

"Engineered for the spaces it protects."
