GENERAL DESCRIPTION

An indoor steel LED remote head with long-life, ultra-bright white lamp heads, powered from the central battery over low-voltage wiring.

CONSTRUCTION & OPERATION

Long lasting, efficient, ultra bright white LED lamp heads.

High performance chrome-plated metallized reflector and glass lens for optimal light distribution.

Adjustable 6V 5.3W lamp heads increases center-to-center spacing.

Powered from low voltage power source with low voltage wiring (not provided).
