STEEL
Rugged housing

EXIT / STAIR
Both covered

CODE-APPROVED
Meets the requirement

DAMP RATED
Wet/damp location listed

Garnet

GAR

GENERAL DESCRIPTION

A steel exit/stair sign built for durability and regulatory approval — a rugged choice for demanding locations.

CONSTRUCTION & OPERATION

Ultra-bright, energy efficient, long-lasting white LEDs provide uniform illumination.

4.8V Long-life, maintenance-free, rechargeable NiCd battery (EM models only).

Durable, powder-coated 20-guage steel construction in white or black finish.

Unique design allows double face conversion in the field.

SPECIFICATIONS

Input Power	Universal 120V - 277V voltage
Operating Temp	0 °C – 50 °C
Housing	Durable, powder-coated 20-guage steel
Warranty	Five year warranty
Listed to UL 924, NFPA 101; DAMP
